

MIDDLE SCHOOL MATH STUDENTS MENTOR ELEMENTARY STUDENTS

Middle school math students visited the elementary school to work with Cheri's 5/6 class and

Erin's 3/4 class where they mentored the younger students. The younger students shared what they had learned and the older students helped review concepts

and/or introduce new concepts. This is the third year that middle school students have done mentoring in math with elementary school students.

LAST DAY OF SCHOOL

The last day of school for elementary and middle school students is Thursday, June 4. On this day, all elementary and middle school students will participate in the 6th/8th grade graduation, which begins at 10:00 a.m. Parking will be tight, so come early and please do not park in our neighbors' private lots. Graduation will be in the elementary yard and will end before noon. **All students must be picked up by 12:00 p.m.** inside the elementary school (note: there will not be a pick up line in front of the school). There is no after school care available. The Waverly School will be closed Friday, June 5.

HAVE A GREAT SUMMER

THE FARM IS FLOURISHING

Hello from Waverly's soon to be producing abundantly farm! Work continues on irrigation systems at the farm. The pond refurbishment is well underway and the High School Growers are still planting. The summer crops are: pumpkins, strawberries, cucumbers, sunflowers, zinnias, tomatoes and basil. I am really looking forward to harvesting enough to have a few summer Market Days. If you would like to help out at the farm this summer (and gain some community service/work hours) please click on the following link to select the days you'd like to work. Send me an e-mail and I'll add you to the summer farmers list! <http://tinyurl.com/qqlcfx> Currently there are several family plots still available for rental. If you'd like to join the fun and become a locavore, download a rental agreement from the school Web site and come on out and grow some food!

EMERGENCY BACKPACKS

Students' emergency backpacks will be handed back during the last week of school. All emergency backpacks must go home. Any emergency backpacks left after June will be taken apart and clothes contained within will be donated to charity.

E.S. JOGATHON WAS A SUCCESS

A big thank you to Kelly Norris Sarno and Robin Woodard for a spectacular Jogathon! Their hard work made this year's event a marvelous success.

MESSAGE FROM THE JOGATHON CHAIRS

Congratulations to the winners of the pool party...Starry Nights! There is a three way tie for the ice cream social...Secret Sorcerers, Moccasins and Rocking Rock Stars! Dates to be announced!

On behalf of Robin, Susan, Maxine, Jean and myself (Kelly), we'd like to extend our heartfelt thanks to all those who effortlessly chipped in to help make this year's Jogathon a huge success. We truly appreciated all the extra hands during prep, set-up, as well as those who stayed to help with clean-up. And of course, without all the wonderful workers on the day of the Jogathon, we would not have been able to make it happen! Your efforts and support did not go unnoticed and we wish we had the time to personally thank each and every one of you. We had a great time and hope you all did as well. We'd also like to thank all the sponsors, as they really help to make the overall event happen. Thank you, as well, for getting all your pledges in, in such an expedited fashion. From the banners for each class to the spirit in the joggers...this event is definitely one for the kids. Thank you again, and we hope to see you again next year!

THANK YOU, SUSAN AND ANN

The Waverly staff, faculty and administration would like to give a huge thank you to our 2008-2009 WPO Co-Presidents, Susan and Ann, for all they have done this school year in leading the Waverly Parent Organization. The year was full of memorable events for our students that could not have happened without parent involvement. Thank you, Susan and Ann, and all the parents of The Waverly School. We look forward to another fun year in 2009-2010!

IMPORTANT WAVERLY PORTAL ANNOUNCEMENT

All student e-mails and class assignments housed on the Waverly Portal will be erased this summer. Please remove anything you wish to keep ASAP.

SUPPORT THE GLOBAL FRIENDS PROGRAM

As our year comes to an end, I am pleased to share this community service organization with you. They are seeking new or used school supplies, backpacks, books, clothing, soccer uniforms, toys, or any other donation. I have worked with them in the past and couldn't more highly recommend the experience! Please contact Casey Meurer at 818.790.1720 or Casella453@aol.com for more information.

The Global Friends Program combines international and local efforts to promote educational opportunities for children in Africa and to create interest for American students in areas of geography, sociology and raise awareness of the interconnectedness of people in a global society. The goal is to partner individual American schools with individual African schools in an educational interchange that promotes communication and understanding beyond borders and cultures.

Please see the link in this week's e-packet for more information.

COMMUNITY SERVICE OPPORTUNITY IN MEDICINE

Do you know of a teen that is interested in medicine or is looking for community service hours? If you know of a teen, aged 14-18, who would be interested in volunteering at Cedars-Sinai in a clerical or clinical capacity and is able to volunteer for one 4-hour shift per week, please encourage them to apply for our Summer 2009 Teen Volunteer Session. The Summer Session will kick off with Teen Townhall on Sunday, June 28, and will run through

September 6. Applications for enrollment are now available online at www.csmc.edu/7031.html. We do ask that all application packets be submitted to Volunteer Services by Friday, June 12, to participate in the summer session. If you foresee a potential conflict in submitting the application or attending the mandatory orientation on June 28, please e-mail us at TeenVolunteerProgram@cshs.org. If you or your interested teen has any questions regarding the application process or the program in general, please have them contact the Teen Volunteer Coordinators, Kelly A. McVeagh and Vanessa Della Valle, at Volunteer Services 310.423.8044 or via e-mail, TeenVolunteerProgram@cshs.org. We look forward to receiving their applications and welcoming them into our Summer 2009 Teen Volunteer Program!
